Assisted dying- a Christian doctor's view and response

The current law is the only way to safeguard vulnerable people from being pressured to requesting assisted dying.

Please pray, and act urgently (contact your MP) before the Parliament debate on 29th November 2024.

https://youtu.be/WWxAJ3Y0wjc?si=8DRGJB_ksmqhw1zj

Please pray and act urgently to ensure:

- 1) The UK government does not change the existing law.
- 2) The public understands the existing law already allows people with mental capacity to refuse medical treatment. Doctors already do not have to offer futile treatment to prolong dying.
- 3) If palliative care is available to everyone, then nobody will die in pain.
- 4) More Christians to speak up and ask their MPs to represent their views.

Consider emailing your MP today to voice your concerns.

Phone your MP to request a meeting before 29th November 2024.

Your MP details can be found here- <https://members.parliament.uk>

What we say and do in the next few days may have a huge impact to help safeguard vulnerable people for generations to come in the UK.
