Dear friends, my friend's daughter Vicky is swimming "The English Channel" for a charity called Aspire. The charity Aspire.org.uk help people with spinal cord injuries. She plans to swim with her team of 6 to swim around July 31st this year or within 10 days around this date depending on the weather. The team will each swim taking turns in a relay an hour at a time. She is currently in training for the event and hopes to raise at least £1700 for the charity. If any of you would like to donate you can give your donations to me at church and I will gladly pass it on to Vicky for the charity. Also on my Facebook page there is a link to Vicky's swim as well.
Many Thanks Christine Wilks
